Rc.3704-D1-52

South Kanara District Board Office,
Mangalore, dated 23-11-1953

From

Sri A. Mahalingam Chettiar, I.A.S.,
Special Officer, District Board, S.K.

To

The Secretary to Government,
Local Administration Department,
M A D R A S.

Sir,

Sub: STATIONERY - Local Bodies - Waste paper - disposal - further instructions solicited.
Ref: G.O.Ms.No.103 L.A., dated 20-1-1953.

...

In their orders cited above, Government have requested local bodies to sell the waste paper collections in their offices and in the institutions under their control to the Andhra Paper Mills, Rajahmundrey at the 'approved rate' of Rs.160/- per ton. They have also instructed that packing and incidental charges and the cost of gunnies necessary may be met from the local bodies concerned and should not be claimed from the paper mills. In this connection it is submitted to Government that this offiee has to experience a great inconvenieen to despatch the waste paper collections to Andhra Mills. The cost of gunny bags, packing and incidental charges which are heavy will have to be met by this Board and this will not be advantageous to the Board considering the fact that there are other agencies coming forward to take delivery of the paper at the District Board office for a higher rate.

In the circumstances stated above, I request that the Government may be pleased to permit this Board to sell the waste paper of this office to other agencies when they offer higher rate per ton than the rate fixed by Government for their sale to the Andra Paper Mills.
